About Us

BMC - Rukn Al Hashim Company For Trading is one of the wholesale dealers of décor ceiling items and its accessories in the Saudi market. The company has been in the industry for more than 15 years specialized in stock keeping and trading under well-known local and international brands. The company also offers installation of ceiling products of all types. The years of journey make us a prominent distributor and a contractor of ceiling products in Saudi Arabia.

Our dedicated and professional teams offer wide range of ceiling products maintaining high level of quality, accuracy and professionalism. Our range of ceiling items supplies meet fire, heat, moisture & thermal requirements according to the standards. The stock covers more than 500 types of ceiling items mainly related to gypsum boards, ceiling tiles, ceiling suspensions, gypsum and steel screws, cement boards etc. We are proud to be the part of well-known Saudi Arabian Brands.

Our Services

Contracting Services in an overview:

To fulfill the client's requirement, we also provide high quality contracting services with the contribution of our highly experienced Engineers & Technicians. We are proud to achieve the full client's satisfaction by implementing and installing the Interior / exterior decoration based on their requirement. Our work has reached to malls, residential places, commercial offices, schools and universities etc.

Implementation phase in brief

- Knowing the client's requirement.
- Presenting the design to client after a visit to the highly expert engineers to site
- Approval of design and approved standard materials as desired.
- Technicians visit at the site in supervision of an engineer to execute the project.
- And then final approval by the client.

Our Vision

Our aim is to provide the high-quality standard ceiling products to achieve the customer satisfaction beyond the boundary, which help us to grow faster being one of the major leading distributors and service providers in the market with the help of our professional team members.

Types of Décor Services

- Installation and repair of all types of False ceilings with suspension fixing.
- Installation and repair of customized roof of gypsum boards.
- Installation and repair of Aluminum Tiles with suspension fixing.
- Installation and repair of Gypsum Board partitions.
- Installation and repair of Skirting.
